“ I am a long time friend of the family. I have known Theresa's sister Bonnie for 20 some years. Theresa was always very loving and caring and had so much compassion for her family and friends. I can only imagine what the family is going through at this time, I too have have a cousin with the same condition as Theresa and feel her families pain. Its hard to see a loved one go through so much in just a short time. I know it doesnt help much but, we all know that God has taken her home and she doesnt have to endure any more pain or suffering. She will be one of gods prettiest angels.
