“ *I always thought Tom was very shy or backward at family reunions or a little bit stuck up. Boy, did I find out he was just the opposite when I traveled to Alaska with him and his family over 20 years ago. I never knew what he was going to do from one day to the next. And he loved the name "Wassila" which was a place we went through. I haven't seen him in quite a few years but I sure am going to miss him. Our loss, God's gain. Prayers to all the family.*
