

Tim A. Thompson

August 9, 1963 - August 22, 2020

Timothy A. Thompson, age 57, journeyed to his final resting place on August 22nd, 2020, surrounded by his loved ones in his home. Tim was born in Louisville to James and Martina Thompson (deceased) and is survived by his seven siblings, Diane (Jerry), Judy (Leo), Susan (Eddie), Karen, Patty (John), Chris (Jeanne), and Kenny (Michelle), who lovingly know him as “Timmy”. Tim worked as an electronic technician for the Federal Bureau of Investigation and retired in 2018 after 33 years of service. Tim loved his family above all else and is survived by his wife of 26 years, Teri, and his five children, Chad, Raymond (Angela), Stephen (Brandie), Kristina (Shane), and Lindsay (Jesse). His greatest joy was being a Pappy to his grandchildren, Chad, Johnavin, Madison, Gavin, Van, Stephen, Mariah, Jackson, and Scout. Tim was passionate about fellowship and fundraising for St. Jude’s Children’s Cancer Research Fund at his annual Terrible T Horseshoe Tournament. He loved spending time at the farm, cheering on the Steelers, quiet moments of fishing at his pond, and making others laugh. Tim is beloved by many and will be greatly missed.

Tim’s family will honor him with a private celebration of life this Saturday, August 29th, at a family farm. In lieu of flowers, the family asks that you donate to the St. Jude’s Children’s Cancer Research Fund.

Arrangements are under the direction of Harrod Brothers Funeral Home &

Crematory.

“ *I was saddened to learn of the passing of my buddy Tim. I worked with Tim for years and we were workout buddies before his health prohibited it. What a good man he was. Loved his wife, daughters and family. I will miss that man.*

“ I worked with Tim for years, we both got in early and share more talked than I could even count. We would meet for breakfast, coffee, lunches and trips Was hardly a day we didn't share a joke, story or life lesson. Some jokes was at our own expense and laughter was always the best medicine. Tim gave me great advice over the years. He always spoke of the Love him and Teri shared. He always shared that he was so proud, and how much his daughters meant to him. Truly a proud father!

“ Tim loved coming out to Eddie’s farm. They cut wood and made the largest bin fires ever clearing out areas. I usually stayed home but was there enough to see how much they loved each other. Every day Eddie text Tim to say “on way to farm” and Tim would beat him there

Eddie misses him so much-we all do

Eddie is now going to his farm for short spells and then coming home. He doesn’t have his brother there to sit and talk

Tim was so sweet, and goodhearted and told stories that made you laugh so hard you couldn’t catch your breath. He was a good son, husband, father, brother, uncle and employee. He loved life and his family. He looked out for all of us as well as supporting St. Jude. I am proud to be his sister and will miss him always.

Tim was truly one of a kind. He had the biggest heart and if he was in your corner, he was there always. He sat back and watched me for a few days before he came around and became the best person I could talk with on anything going on in my life. There also times he would get me in trouble by going out to get him ice coffee, but he would still have my back. He was truly one of a kind who loved his family so dearly. Rest easy my friend, you will be greatly missed.

My memories of Tim go back to the time we were kiddos. When my Mom Dad and the three of us kids would come over for a Sunday visit to Jonquil Drive. After having 5 girls, 2 boys followed soon after. I know Uncle Donald dearly loved (loves) his girls. I could tell he was overjoyed with his boys. I remember he would rough house teaching them to fight at this preschool age all in an effort to take up for themselves and probably their big sisters when they were ready to traipse off to school. All of us cousins were very loved and blessed to have such wonderful parents and families full of holiness and love. God bless all of the Thompson family.
