“ Mary Lou, Paula and Tommy used to come to my house and me and him would play together a lot. While his momma drank her hot tea and mom drank coffee. We had a lot of fun and we were always friends throughout high school. He was a sweetie.

“ I am so very sorry to hear about the passing of Tommy. Tommy was a wonderful young man whom I had the privilege of having in school at the old Peaks Mill School. Many times I would run into him at different stores and we always chatted, In fact, I was on FB with him and he had just sent me a text asking how I was doing about two-three weeks before he passed, I always thought the world of him as a student!

My thoughts and prayers are with you and your family in the days ahead.

“ Tommy was a good guy. He was a friend, a protector when we were in elementary school (he would tell everyone the stories of our childhood). He will be missed.
