“ I never met Toni but do know Joe. May the Lord bless Joe, the children, & all family members at this time of loss. Through the grace of God, support of family and friends, in time the grief and sorrow will become less and you will be able to reflect back to the good & loving times spent with Toni. May she rest in peace and God give you the strength to endure these times of grief.

“ I have known the Schillers for as long as I can remember. My father Binks(Garrett) Dean and Tony(toni marie's father) have been friends for, I believe, over 70 years. My mother,(the late Aileen Dean)and father were best friends with Tony and Ann from the time they all met and married. Countless times from when I was a child until my early teen years I remember being at their house or they were at ours. I remember Tony Marie as being the mischevious child with the big grin that I never knew whether innocent or guilty. It seems to me that she was always on the positive or adventurous side of things. With this message I say that we will all miss her and that me, my brother(Lanny) and my father feel a heartfelt sorrow for Tony, Darlene, Patti and all the rest for her passing. Please know that you are always in our hearts and minds. Timmy

“ Your family has been special to us for many years, as well as to the Crestwood family. It was a special joy to watch you Anne Marie, and you, Jason, grow up into such fine young people, and much of that is a tribute to your mom's influence. Please know that we will be remembering you. My father counts your granddad as one of his good friends, and he will be looking out for him! May you all find comfort in the Shadow of the Almighty.

“ What a true joy it was knowing your mother. Even though I only had a chance to know her for a very short time, she touched my life and I will be forever grateful for that. I hope you're able to find strength in God during this time for you and the family. Toni was a strong and beautiful woman and I know she will be watching over her children from Heaven.

“ Peach, Judy and I want to send our heartfelt condolences to the Schillers and the Sandersons. We will always remember that cute, freckled-face little girl with the big smile who we watched grow up. Her love will always live through Ann Marie and Jason - - the lights of her life. Take comfort in the fact that she loved you with all of her heart. May God hold your hearts in his comforting hands and help them to heal with His love and guidance.

“ I can't imagine my life without you Toni, we have laughed so much we cried, we cried so much we laughed, your smile lit up my world. We had such a fun time living in our little house and riding in your Z everywhere we were big enough to go! Then you met the love of your life and had the most beautiful children, how proud you were of them and with good reason, you have always been the very best daughter, sister, mother, wife and my friend. My life will have a piece of it missing forever now, I love you.
