“ I worked with Tony these past few years. Enjoyed talking sports and listening to some of his tales of growing up . he was a very hard worker and was sad to see him decline in health the last year or so.. he loved his coffee and usually had a conversation with him while he was waiting on it to brew.. RIP TONY

“ My baby brother Tony was always in my heart because Mama let me name him. She knew I was mad at her for getting pregnant again (teenagers are very embarrassed by that kind of thing) so she sent the paperwork home for me. I finally picked Anthony Allan Anglin cause I though triple A's would be funny. Then, joke on me, he was always called Tony. He would spend several summers with us in OH and he and my son (his nephew), Gary became best friends. Miss those times, miss my baby brother. Prayers for Becky and his children.....

“ I want to repost this what Rita Snider shared to my posting on Tony Anglin. I am sure she does not mind. Rita Snider Mark, I am so sorry about Tony. I remember him well. He was a dear friend of my daughter and her husband. In fact, he was in the wedding and I understand was the one who suggested my first grandchild's name (Cameron). Prayers for you and all his family.

“ *The last time I saw Tony was this past Haloween. He was with Becky & his daughter & they were trick or treating. He had a cool costume on and he smiled when I walked up to him & said hi. He was always smiling or laughing. I am very saddened by Tony's passing. He was truly a great guy. I hope Becky, his kids, his entire family, & everyone else who loves Tony can find peace & healing. I'm thinking about you all. So very sorry for this loss. I'll remember Tony always.*

Love, Rob
