“ I never met Tracy, but I just bought her Kiss Double Platinum CD from the Peddler's Mall in Frankfort, KY and decided to look up the owner of her collection. I'm a fifteen year old Kiss superfan, and hoped to give my condolences to Tracy's family and friends. I know she was certainly loved, and I hope it brings some joy to know that she's remembered by those who never even knew her. I'll think of her every time I open up the case! My best wishes to her friends and family, much love from Versailles <3

“ Thank you for the memories and stories that been given about Tracy. She had lots of friends and people around her that helped with her everyday stuff. She did not seem to mind helping and providing for those that were in her life. She will be missed and I know the Cardinals have lost a great fan. Here's to you Tracy and enjoy your freedom in the next world. Your loving sister, Ginny

“ I grew up with Tracy, Bonnie, and Jerry. They lived on Holmes St n I lived on Collin’s St. right across from their house. We went to school together and her momma would always fix my blue jeans for me. We used to sit and talk a lot while her momma would work on a quilt. We lost touch after I got married and moved to Lawrenceburg. God speed Tracy. We will meet up again. Love. Jana Quire
