“ *Trista, you touched so very many hearts in your short life and will be missed forever by those who had the pleasure to know you. Your smile and personality were contagious and came so naturally. You came into our lives and heart as a baby and we have watched you grow, learn and develop into a lovely young lady and awesome big sister. You were a precocious child but it was a pleasure to watch you grow into the person you became, and I will miss seeing you become that beautiful swan that I know you would have been. I promise to continue your work in helping your sister, Amber, become the sister you would be proud of but I will need your help. I know you are now her personal guardian angel and together we can. I understand the words, "she's in a better place" but it's really difficult to accept that that place is not here with us. You were my second granddaughter and my heart will never forget. 17 years was way too short a time to have you but I am grateful to have known you for at least that time. Good night sweet princess.*

“ BJ, Tuffy, Amber, Dolton, Patrick, Meagan, Sam, Mildred and Archie,

Please know that Brian and I are so very sorry and that you're in our prayers. There are no words we can send to express our sorrow, none. Please know that everyone else knows what a special young lady Trista was. I sure will miss seeing her walk her dog and smile that beautiful smile and wave. Such a good girl....

“ BJ (and family). I do not know if you remember me, but I am Heather Wickers mom. You lived next door to Heather on Douglas, and I remember Trista and Amber very well. When I saw her picture, I knew it was her, and my heart just went out to you. There are no words to express that make any sense, but know that memories of her, even though from awhile ago, still bring a smile to my face. I know she will be missed.
