“ I will miss my friend of 66 years always. When you have been friends ever since first grade that is almost all our lives we knew each other. She signed in my senior annual Remember the time on the log. That was an adventure we had hiking in the woods with my brother. We did fine going down but coming back was not as easy. We started across the log and both of us looked down only to chicken out. It looked farther down that when we crossed it the first time. My brother said come on or I am leaving you both. We laughed as we inched across the log but not fast enough for him. He took off on home and left us. Yes, we finally got across the log and back to the house. I have so many memories that are sealed in my heart. Vada I love you a bushel and a peck and a hug around the neck my sweet friend. Until we meet again ok. Love you Pamela Johnson Lefler.

“ Vada and I were such good friends all through high school. She was the sweetest, funniest person. We had some very good times after we both married and started our families. We would sit for hours at times discussing all the world's troubles and how to solve them. I'll miss my dear friend.

“ Vada was such a dear friend in high school. She was a lovely bridesmaid in my wedding. Even though I had not seen her in years, we were on Facebook and I thought of her very often and so fondly. RIP my dear, sweet friend.
