“ Not taking anything away from any of the other mothers out there, but The Warfield children had one of the best, if not THE best. I will never forget her "seed planting" through her family that trickled and ran down through her grandchildren and will continue for generations to come.

I believe God broke the mold with Verna. She was the definition of a virtuous woman. She will be missed sorely while we are left here on this earth.

Verna is with her beloved husband Ralph and our precious Lord Jesus Christ. I would encourage everyone reading this to get to know Him if you don't already to secure your spot in eternity with Verna.

I know she is helping the Lord prepare my room for me that He promised us through His Word!

To Rusty, Rhonda, Terry, Jimmy and Kenny, Thank you guys so very much for allowing your mother to be a part of me and my family's life.

I learned much from her attitude, mannerisms, and from her passionate love for the Lord our God.

Rest in Eternal Glory Verna.

“ Verna was my very best friend. She was like a second Mom and she was my Sister in Jesus! I met Verna about 7 years ago and what a blessing she has been to me every single day. I asked Verna if she would like to join me at the door and be a greeter and she said yes. It was definitely our calling and we loved doing it! I will miss her standing up there beside me but I will always feel her close to me when I'm up there. Verna and I went shopping at the Goodwill stores at least 2 or 3 times a month, we went to each others doctors appointments together, we talked 2 or 3 times a day on the phone, shopped at Wal-mart at least once a week and we just loved hanging around together. We talked and laughed and had so much fun but we also studied God's Word and Prayed for our families and friends and for our church and the members. Verna was just a part of me and my whole life has revolved around her for a very long time. She was such a wonderful woman. She loved her family and her church dearly. Her children had the most wonderful Mom! Her grand-children had the most wonderful grandmother. Her friends had a true friend in her. Most of all she was a wonderful Christian and loved God more than anything else. I will miss her terribly but I have the most beautiful memories of my time with her. I can't wait to see her again!!

*Thank you guys for sharing your Mom with me! I loved her so much!*

“ Everytime I think of Verna, I think of love! God used her to teach me about loving! Love never came easy for me but Verna broke down alot of those walls by the love she gave me unconditionally everytime I saw her! She was such a humble servant for Christ here on this earth. She has left quite a legacy behind. I will miss her greatly and look forward to seeing her smile and feel her hug again with great anticipation when I join her and my loved ones on those beautiful street of gold!! I'm sure that my dad, Gene Gantley, is talking her ear off by now telling what all he has already seen. And now, she is reunited with her husband, Ralph, to never be separated again! Although many of you I don't know, I know Jim and I can see soooo much of your momma in you, my friend! So until we are reunited in the streets of Heaven with our family, Love as Christ Loves and Walk in His newness! Your Sister in Christ Jesus, Trish

“ We will miss your beautiful smile, hugs, and sweet demeanor. Your love for the Lord and for all that you greeted, at all of our services, will always be remembered. Our last Christmas party at Kathy Dowds will forever be a special memory for me. We will have a huge party together when we see you in Heaven and then we will celebrate eternity together with Christ. We love you, Mrs. Verna.

“ Verna was such a wonderful person. I will greatly miss seeing her at church. It just won't be the same without her greeting and a great big hug as you come through the door.
