“ *Mrs. Montfort was a friend of mine. She was in my office every month to pay her life insurance. Some months she was sick and still was here to pay. I will miss her. She also thought alot about David Clark thats in our office. God will now take care of her.*

“ *I always thought of Viola as my second mother or really my mother in law when I was younger. She was always so thoughtful and carrying. The lord will be watching over her for all of her loved ones left here to remember her here on earth. She will be missed. My thoughts are with Chester, Dallas and Caroline and there families.*
