“ Jenny was married to my daddy for some 25 years, so she was like a mom to us. I always thought of Jenny as strong in will and strong in faith. Family meant everything to her and she certainly practiced that by raising some great kids. Because I have lost my own dad and mom, I understand the grief Jenny's family is encountering. Take comfort in knowing she is with our Lord and hopefully keeping my daddy in line once again!!!

“ Jenny was my step-grandmother, but always treated us children as we were her own. She was married to my grandfather, Melvin since the day I was born. I have fond memories of our family gathering at her house for holidays, and she always had a smile for each of us. Although she will be missed by many people, I take comfort in knowing she is with my grandfather (Peepaw) again. We love, and will miss you Jenny. May you and Peepaw rest in peace, together.
