“ *Larry and Jennifer, I happen to be in Morehead and picked up the paper to see that your mom died. I am so sorry. You know she was my Mother's best friend since they were young girls. Mom always talked about "Jenner" and loved her dearly. I have fond memories of our families being together and have never forgotten either of you. Please know that you are in my prayers at this sad time. We are the same in that our parents are gone from this earth. Again, my deepest sympathies. Kris Othersen, daughter of Judy Elam Othersen*

“ *It is with deepest sympathy that we hear of Virginia's death. It was only last month that we sat across the table from her and daughter Jennifer. We enjoyed our conversations greatly and looked forward to more as we have through the years at our "Breckinridge" gatherings at the Chop House in Lexington. It seems beyond belief that she has now passed on we shall miss her greatly.*
