“ *I am very sorry for your loss of both Mr. & Mrs. Hammons. Death is one of the most difficult things for us to face. The Bible calls it our enemy and we really feel the truthfulness of that at times like these. It is comforting to know that Jehovah God himself feels saddened when our loved ones die and he promises us that "death will be no more" (Revelation 21:4). What a wonderful time that will be when He removes that terrible enemy once and for all and we can see the resurrection of our loved ones.*
