“ *I certainly wasn't surprised when I had heard of Bud's death. I know
he has been sick for some time. However, I wish peace and
contentment for the family. Losing a parent is never easy no matter
the circumstance. Bud will always hold a special place in my heart
he was a very caring, loving person. Oh the joy he showed when all
his family was gathered around the table with a big meal. Full of
smiles and outstretched arms for a big hug, Yes that was Bud!
Joyce, hats off to you for being there for Bud! He will always be
remembered in my heart, Kathy*
