“ The great times Walt and I had together could fill a small book - from trips to Florida during spring vacation, Walt teaching me how to caddie for him, hours in the field behind his dog Dixie quail hunting, evenings at the Two Keys playing the bowling machine, enjoying a steak at Sailors after he'd won a golf tournament, etc. etc. He was a kind man that helped many people that couldn't help themselves. Our days at Keeneland, Gulf Park, and various other racing venues were always fun and exciting - win or loose. In recent years we have enjoyed just sitting or riding and recounting the fun we had together in our younger years ! I will certainly miss his big smile and infectious laugh.
