“ *I was looking through Harrod Bro. Site and I hated to see this about you all losing Wanda. And I didn't know about Jenny and her son either. I knew Wanda from Captain D's. She was always a sweet person I knew her for years. I just was really shocked to see this. She was always concerned. Do you know how everyone's day was going. I am so sorry for your loss. I don't know what happened to Jenny and her son they were so young and her son didn't have much of a chance at all. So sorry that you all have had these losses in your family. My heart goes out to you an all it's so hard to lose so much of a family members that you love so much. I've lost 4 of my children. May God be with you all in your time of need.*
