“ *I grew up for 18 years on Pueblo Trail. Mr Allison was kind enough to include me in their family camping and boating trips. He taught me how to water ski. Wonder memory for me. The Allison's also hid fake spiders in the camper for me to find. Lots of laughs. My prayers are with the Allison family especially Linda. Love to you all.*

“ *My Dad, Elliott Allison(90) called him Mousee. He said they played together. Uncle Jeffrey always had something from for them to do. He said growing up he remembers him getting bit by horse in the head and he had poison oak so bad that his dad had to take him to the doctor. He loved him very much.*
