“ *Dear Paula and family,*

I was sorry to learn today of Bill's death.

I met Bill when we put in our pool in 2001. In the years that followed, I always looked forward to visiting with the two of you in the store.

I did not have to know Bill very long to know that nothing was more important to him than his family (including the dogs).

Be assured that my prayers and warmest thoughts are with you during the days ahead.

“ Paula,
I personally have had the blessing of knowing you and Bill for what seems my entire life. Softball for me would not have been the same without him and I know the "newest" generation that included our daughter feel the same. Just know that we love you and are praying for you and the entire family for the peace and comfort you need during this time.
