“ *My Dearest Becky and family, my heart is breaking for all of you. I just spoke with the other day and was asking you and if you were enjoying your retirement and how he was doing. He simply said to me "I'm just getting old." I'm glad I got to see him that morning and exchange the few words we did. I didn't know him as long as some, but I grew fond of him quickly, as I did you too Becky. Please keep in touch with me, and I am here if you need anything at all. You're always in my thoughts!
