“ *William,*
I am so sorry about your father. I live in Mississippi now so I can't make it to the services, but I wanted you to know my thoughts and prayers are with you during this sad time. I know we haven't seen each other in many years, but I know what an awful thing it is to lose a parent, so when I heard, I wanted to let you know I was thinking of you.
Take care,

“ *William: I am so very sorry to hear of your father's passing. I had planned to join Rosemary for visitation, but my son has his first baseball practice that same day. If possible...I may try to come by before, but I wouldn't be able to stay long. Just in case though...I wanted to send my condolences.*
