“ *Billy & Shari,*

Times like these are when living away from Frankfort is so hard. We wish we could be there to talk with you in person. Big Bill was a "one of a kind" and we both have very fond memories of him and his unique personality. We all shared a lot of wonderful days on and around the baseball diamond!

We'll be thinking of you as you go through these difficult days, but we know that people will be sharing some great stories with you about Bill so be sure to laugh a little for us as you listen to them.

*Love,
Billy & Debbie*
