“ *Lucy, Bill & Paula,
Darrell and I send our sympathy to your family. Our special
friendship began from the fish camp in Florida. The afternoon get
togethers on the "porch" and the many times we all headed out to
eat together were very special.
Also the time we had the anniversary party and Lucy made a
surprise visit to help celebrate the event.
Those times plus many more will be remembered.
Please stay in touch. Love, Jerri & Darrell from Indiana in summer
and Lake Placid, Florida in the winter.*

“ Bill and Lucy, I am deeply saddened at the news of the passing of your dad. I regret that Grace and I were unable to visit with you at this crucial time of your lives. I have very pleasant memories of both your dad and mom as I had opportunity to visit in your home. They were always very gracious to me and it was an honor to be neighbors and friends with your family.

Your dad was well respected in the community and will be remembered for a very long time. May God bless you and your family through these days and bear you up when you feel down. If there is anything we can do for you, please don't hesitate to give us a call, 607-0728.
