“ *Billy was a very nice and thoughtful man. If you needed anyone to talk to or any kind of help he was always there. He would get to know you and your personality so well that he would know something was wrong even if you didn't say a word. He talked about his family and friends a lot with me. He loved everyone of them. We will miss you Billy Hall*

“ I am so saddened and shocked to hear of Billy's death. He was a great person and true friend. We worked together for many years at Union Underwear and you could always count on Billy for a kind word or smile. He was always willing to help in any way he could. Mark and I saw Billy at Wendy's not long ago and he was his same ol' self....joking and cutting up as usual. We will greatly miss him and our thoughts and prayers are with his family at this time. God bless you all. Rest in peace, Billy.

“ Billy was a great friend, coworker and like a brother to me and I will truly miss my dear friend. He was always so much fun to be with even on some of our darkest days. There are not words that can fill the void left by the loss of such a great guy.

“ I am so saddened and shocked to hear of this. I have known Billy since we were teenagers, but as so many of us do, we lost touch. I saw Billy about a year ago, and he was the same ole Billy, joking and loving life. I have lost a friend of my youth and I hope the family can take solace in knowing Billy was a great friend and a kind and good man.
