“ Lisa, Christy and TT you and all of your family has been on my mind ever since I heard about Billy. I can't imagine how painful this is for each of you. I'm keeping you all in my prayers and thoughts. You all were blessed with 2 beautiful daughters, and 2 grandchildren and they will be where you will find peace some day. I never met Billy but I've heard of him and he seems like one of those guys that would go out of his way to help someone. As I looked at some of the pictures TT and Christie posted, you can see the love you all have for one another. Just hold on to those good memories and they will help you heal. I am praying for all of you for strength to get through these hard days. Billy will always be watching over you and will live forever in your hearts.

“ There are no words to express our deepest sympathy. I worked with Hazel for many years and shared the stories of our kids growing up. We've known Lisa since she was a baby and watched her grow to be a beautiful young lady, a mother and grandmother. Our hearts go out to each and every member of the family. We are so sorry we won't be able to attend the service, but our thoughts and prayers will be with you all.

“ Scotty, Connie and Teresa--I remember all of you from my time at Peaks Mill in 3rd, 4th and 5th grade--we rode the same bus. Billy was such a little sweetie, always with that mischievous grin on his face and a twinkle in his eye. My thoughts and prayers are with all of you as you face this time of loss. Just remember, those we love are never truly gone from us--they live forever, in our hearts. God bless you all! Karen Clark Ellis
