“ *Aunt Lorena I hope you know how very much we love y'all. I wouldn't take anything for our hour long chats and all the stories Uncle Bill would tell me. What a wonderful man he was. He was like the dad I never had and I don't have to tell you how much we will miss him. Our prayers are with you.*

“ We'll sure miss Mr. Bill. He was a great neighbor to us on Waverly Lane. He was always willing to help out or loan a tool if needed. He was so nice to Amelia. We all remember when we first moved and a bad storm came and we had to run across the road to get into Mr. Bill's basement - we were thankful that night. Lorena - you and the family are in our thoughts - we're so sorry for your loss.

“ Lorena
You dont know how sorry I am for your family. I thought the world of William. I will miss him on his mower with the wagon coming over to give me some tools that he knew would do a better job on whatever I was trying to do. He would yell 'Nancy, I am going to have to go take a nap, you are wearing me out. you are working to hard. My brother, Steve, who William would talk to everytime he was down here from Ashland said to tell you he was sorry and will miss seeing him when he visits me. If there is anything I can do, just let me know, I am just across the street.
