“ I was very lucky to serve with "Billy", during Operation Virginia Slim in the U.S. Virgin Islands in 1989 after Hurricane Hugo had devastated the island of St. Croix.

*William was a huge asset, and one of the nicest guys I have ever worked with, besides being a mechanical genius. He was a lifesaver for our Aviation assets, and one Soldier you could really count on! I feel safe in saying we would not have been able to operate as efficiently as we did without him.*

*Please except my families sincere condolences for your loss. The World really is a better place because of his efforts, his honesty, and his professionalism. He will be missed.*

*Sincerely Marc Morganti*
