“ *Elizabeth, Tania, & Sonia, I just wanted to express my deepest sympathy for the loss of your Dad. He was a very special guy, and a good neighbor. I'm sorry I was unable to be in Kentucky during this time, but I just wanted you to know that my thoughts and prayers are with you. He will be missed on Rock Creek Drive.*

“ *This is a bitter sweet time for us all. Bitter because we have lost our wonderful, fun loving friend Willie â€“ we will forever remember your joy and laughter and positive attitude. You were always the first one to the Federal Building in the morning making it a pleasant place for us to spend our work day. Besides keeping the building looking new you also filled the halls with your wonderful personality and laughter. We are sad for us and his family. But it is sweet because you are being reunited with your love â€“ Grace. You told me when you found out about the seriousness of your condition that the worse part was facing it with out Grace at your side but in the end you would be back together. Enjoy Heaven Willie, I know the angles will enjoy you.*
