“ *Dear Larry,
Although our paths have not crossed in years and years I have always cherished the memories of the friendship that I had with your sister, with you and your parents. When my mother moved to Lexington I lost all contact with friends from my younger days growing up in Frankfort. I even remember traveling to AL to visit your cousins.*

Know that you and your nephews are in my thoughts and prayers. I do not plan to come to Frankfort tomorrow as you would be the only one who might still know who I was. I regret that your sister and I lost contact with each other.

*Lovingly,
Wini Berckman Humphrey, daughter of Web and Maine Berckman*

“ One of my favorite teachers, and I'm so sorry to hear of her passing. I learned more from her in my 6th grade class at Bridgeport than I honestly believe I did any other year in school. She always brought out the best in every one of her students. She was a great person inside and out. I grew to love the game of softball during that year - Mrs. Lee's class vs. Mrs. Bell's class - every afternoon on the field beside the school. Win or lose, she was very proud of every one of us! I know she had just as much fun as we did. She will forever hold a special place in my heart. My sincere condolences go out to the Lee family. I will continue to keep you in my thoughts and prayers.
