“ I liked Wynn from the first time I met her with her big smile at the front desk at MacGregor Hall at Eastern. I was a classmate of Sydney's, class of '68, roommate of Laural Masters. I kept up with her through family or running into her at Wal-Mart. She was truly a special person.

“ Tina, I'm so sorry about what has happened. I apologize for not having much to say at the funeral home, but I was still shocked and upset to know of your mothers passing. Mrs. Masters was such a sweet woman, and I absolutely loved knowing her. She meant a lot to me while I was growing up. My mother, Danny, and I all send our condolences and we hope that your family is coping well. It was nice to see you, and good luck when you go back to active duty. God Bless.

I remember when i was in kindergarden at elkhorn ele. she was a teacher with Mrs.Roach and i loved being i her class i would go in there and we would talk everyday and we would play little pranks and jokes on each other. I am now a sophmore and i also remember going to Kroger and Wal-mart and talk to her about old times and we would just laugh together. It comes as a great suprise to me about her death, she was a lovely and very smart lady. My prayers are with you. God bless you and i hope you all do well.
