Prayers for you Doob, Sandy and Tammy and all of the family. Known them for probably 40 years. We go back a long way especially Doob and I. I share so many memories with Doob and also with her sisters. And also working with Zeke at his Produce Stand and also his bar...he had such a humorous personality and he had his little nicknames for me:) And even when my daughter was a little girl Betty Ruth watched her while I was at work...so yes we go way back....Love to you all
