“ *Aunt Zelma,*

You were always kind and loving to me and all my siblings as we grew up and without a doubt, you could bake the most perfect biscuits...of all time!

You will be sadly missed by all who knew and loved you, but only Uncle June will feel the greatest loss, because I know you two shared a great and God Blessed love, second to no other husband and wife, of your time!

I will see you on that day we meet again, in Heaven.

God Bless you and all your family...Al
